

BLUE DAY

Date: 14-07-23

Day: Friday

Venue: AHPS

Blue is the colour of the sky and sea. It is often associated with depth and stability. Blue symbolises trust, loyalty, wisdom, confidence, intelligence and truth. Ashok chakra seen on the national flag is rendered in a navy blue on white background. It represents the colour of sky & ocean the universal truth. For the importance of the blue colour Academic Heights Public School, preprimary section celebrated Blue colour day. As well as a rainy day / Monsoon Day is always fun time for the kids if it is celebrated in school. Moreover, it makes the school environment light and mesmerizing for our tiny tots. So on the same day preprimary section celebrated Monsoon day. Little once came dressed up different shades of blue colour, kids came all armed in their raincoats and carried colourfull umbrellas to splash and revel in the rain. They brought blue colour things like toy, bag, bottle, etc. The teachers made them aware of the food, clothes, creatures & things etc. Instead of confining them to classroom, the toddlers of preprimary were brought out in an open ground with umbrella and raincoats to enjoy the playful rainy weather when it was raining. They sung rainy songs like ये रे, ये रे पावसा, ये ग ये ग सरी *, *rain rain go away'. They enjoyed dance on rain songs. Even the enjoyed class activities like thumb printing, palm, printing, vegetables printing, cotton dabbing & collage making activities. Students enjoyed a lot rain dance.
