

Appreciation Letter

Mahaveer Khivansara

Dear Sir, Mam & Management,

It's been long time since I was planning to write to you regarding my daughter's progress.

JANVI is very happy while going to school an also on coming back which indicates her comfort level with the teachers & class activates,

The annual day function held on 22nd Dec 2016 was mind blowing.

I would like to appreciate the organized manner in which the function was held,

I admire the the enthusiasm of all the teachers & supporting staff.

I truly enjoyed and those couple of hours simply made my day.

All the performances were beautiful and the songs were peppy.

We thank to All staff.

Finally, the annual day was rocking !

I wish everyone all the very best in their endeavors.

Thanks & Regards,

Mahaveer Khivansara.
