

Dear Parents,  
Greetings from AHPS, Chikhali!

## REPORT ON BLUE DAY CELEBRATION BY PRE-PRIMARY

*“The best colour in the whole world is the one that looks good on you.”*

The colour BLUE symbolizes trust, loyalty and confidence.

The pre-primary wing of AHPS, Chikhali celebrated Blue Colour Day on Tuesday, 29<sup>th</sup> November 2016. The main concept of celebrating colour days is to introduce the primary colours to the tiny tots. The teachers and students wore blue colour clothes.

The pre-primary teachers conducted various activities for the little ones. Activities included cotton dabbing, pick up the blue things and many such fun and learning activities for the children.

The children participated and enjoyed blue day activities and had a great day!

What a fun way to learn about colours.

Best wishes  
Pranita Mendure  
Principal AHPS
