REPORT ON QUIZ COMPETITION AT AHPS

“It is a must that the next generation understands the importance of our heritage. This is what will keep our culture and traditions alive. “

Professor Pravin Sinclair,
Director, NCERT

The objective of Quizzing competition is, to encourage students to look beyond their textual knowledge and establish a relationship between theory and application of the learnt concepts.

An Inter-House Heritage Quiz Competition was organized on 29th August, 2017 at Academic Heights Public School, Chikhali for classes III and IV.

The Quiz began with the introduction of the Quizmaster and contestants from each house-team. The rules of the Inter-House Quiz Competition were explained and then quiz was organized.

The format of the quiz entailed four rounds, wherein the final round was a visual round, which the students enjoyed the most. The time allotted to give the correct answer was ten seconds, failing which the question was passed to the next team. Although the teams participated actively, the team that scored the highest was **BROWN** House, which was followed by **BLUE** House who secured the second position. There was much jubilation in the winning teams.

AHPS encourages, positive competition and hopes to bring out the best in all its students through such competitive events, while ensuring that the children learn through all possible ways- not just through books and class-room teaching.

Best wishes
